

QDialog

```
classDiagram
    class QDialog
    class trip
    trip --|> QDialog
```

The diagram illustrates a generalization relationship between two classes. At the top is a white rectangular box with a thin gray border labeled "QDialog". At the bottom is a gray rectangular box with a thick black border labeled "trip". A dark blue arrow points vertically from the top of the "trip" box to the bottom of the "QDialog" box, indicating that "trip" inherits from or specializes "QDialog".
