

QDialog

```
graph BT; display_purchases --> QDialog
```

A UML diagram showing a call from a function to a class. At the bottom is a rectangular box with a black border and a light gray fill, containing the text 'display_purchases'. A vertical blue arrow points upwards from the center of this box to the bottom center of a second rectangular box above it. This second box has a black border and a white fill, containing the text 'QDialog'.

display_purchases
