

QDialog

```
classDiagram
    login --> QDialog
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray rectangular box labeled 'login'. A dark blue arrow points vertically upwards from the 'login' box to a white rectangular box labeled 'QDialog' at the top. The arrow's shaft is a thin dark blue line, and its head is a solid dark blue triangle pointing towards the 'QDialog' box. The 'QDialog' box has a thin gray border, while the 'login' box has a thicker black border.
